

TPU APRONS

We developed our product line LEDOLIN® PUre to fulfill the most demanding hygiene requirements where no compromise is allowed. Also available in a detectable version (Metal or XRAY/Metal).

- **Perfect hygiene: no hooks, no eyelets, no rivets, no seams, no glue, no added closures**
- **Antibacterial and fungicide**
- **Dirt-resistant, pore-free surface**
- **100% waterproof**
- **Extremely hard-wearing and tear-resistant**
- **Colours:**
- **Feather-light and comfortable**
- Resistant to animal oils and fats, strong cleaning fluids and many acids and lyes
- Machine washable to 90 °C, low-temperature flexible to -65 °C
- 100% recycleable, contains no harmful substances, safe for foodstuffs
- **Also available in a detectable version (Metal or XRAY/Metal)**
