

KNIFE SCABBARDS AND KNIFE SHEATHS

SCHLACHTHAUSFREUND was the first to manufacture knife scabbards and sheaths for the foodstuffs industry, using hygienic plastic and apron material. We lead the international market in knife scabbards for the foodstuffs industry. A wide choice of different shapes and sizes enables the storage and safeguarding of a variety of knives and tools of all brands.

Our knife scabbards are easy to clean, practical, safe and durable. We will always be able to supply the right knife scabbard for your needs.
