

GLOVEFITTER® GLOVE TIGHTENERS / FINGERFIX

You can depend on our robust one-size Glovefitter® glove tighteners to give your gloves a lasting, snug fit. Use them with your chainmesh gloves to even out half-size differences or just for more comfort.

Die-stamped from hygienic and elastic PU foil, we can sup-

ply the Glovefitter® glove tighteners in Standard, metal-detectable and metal/x-ray detectable versions. Our range was extended in 2017 to include our Glovefitter® Neo with its patented design and protected shape.

Our glove tighteners are available in the the standard colours white, green or blue. We can make other colours on request.
